

Carry On (Acoustic) by Fun

Well, I woke up to the sound of silence the cars

Were cutting like knives in a fist figh And I (1)_____ you with a bottle of wine Your (2)_____ in the curtains And heart like the Fourth of July You swore and said "we are not" "We are not shining stars" This I know I never said we are Though I've never been Through hell like that I've closed enough windows To know you can never look back If you're lost and alone Or you're sinking like a stone Carry on... May your past be the sound Of your feet upon the ground Carry on... Carry on, carry on So I met up With some friends at the edge of the nigh At a bar off 75 And we talked and talked About how our parents will die All our neighbours and wives But I'd (3)__ ____ to think I can cheat it all To make up for the times I've been cheated on And it's nice to know When I was (4)_____ for dead I was found and now I don't roam these streets I am not the ghost you want of me

If you're lost and alone
