All the pretty girls on a Saturday night	Will you break and take all the words from my mouth?
So I call your name, (1) my fingers	I (15) all the pretty girls (16)
Uncross the others, hesitate	(17) me down
(Oh) I don't think straight	But not you
With nothing to prove	You still wear boots and your hair is too long
I don't wanna say I'm leaving	And then (18) one
I'll stay until the weekend	Doesn't want to admit she's fallen in love
You can take all (2) things	(Oh) c'mon (oh) c'mon what's a boy to do
The (3) and rings	When all the pretty girls can't measure to you?
And get going	I don't understand your reasons
'Cause I've been waiting for	Please just stay over the weekend
All the pretty girls on a Saturday night	You can't take all those things
Let it be, and (4) to me with the look in	They define you and me
(5) eyes	Everything we've become
Will you break and take all the (6) from my	You're all that I need
mouth?	Please don't make me face my generation alone
I (7) all the (8) girls	All the pretty girls on a (19) night
Were shaking me down, so I call	Let it be, and come with me
I call you out	With the look in your eyes
Just to feel a little better about myself	Will you break and take all the words from my mouth?
(He does) I do (you do)	I (20) all the pretty girls were
Baby I do, I do, I do	(21) me down
Till their (9) start to move	But not you
And (10) (11) wanna talk	I (22) (23) faith is destroying the world
music	And (24) this one (25) really
I say "I've never (12) the tune"	understood
But I have, I just (13) the band	The 80s is over and done
'Cause they remind me of you	(Oh) c'mon, what's a boy to do
Every single night ends up the same	When all the pretty girls can't measure to you?
I don't say much at all, but I bring up your name	All the pretty girls on a Saturday night
(Over and over and over)	All the pretty girls on a Saturday night
I think it's striking me out	All the pretty girls on a Saturday night
All the pretty girls on a Saturday night	All the (26) girls on a (27)
Let it be, and (14) with me	night
With the look in your eyes
