## That's The Way It Is by Céline Dion

| (Yeah)                                | And that's the way it is           |
|---------------------------------------|------------------------------------|
| I can (1) your mind                   | (That's the way it is)             |
| And I know your story                 | When life is empty                 |
| I see what you're going through       | With no tomorrow                   |
| (Yeah)                                | And loneliness starts to call      |
| It's an uphill climb                  | (Loneliness starts to call)        |
| And I'm feeling sorry                 | Baby, don't worry                  |
| But I know it will come to you (yeah) | Forget your sorrow                 |
| Don't surrender                       | 'Cause love's gonna conquer it all |
| 'Cause you can win                    | All                                |
| In this (2) called love               | When you (6) it the most           |
| When you (3) it the most              | There's no easy way out            |
| There's no easy way out               | When you're ready to go            |
| When you're ready to go               | And your heart's left in doubt     |
| And your heart's left in doubt        | Don't give up on your faith        |
| Don't give up on (4) faith            | Love comes to those who believe it |
| Love comes to those who believe it    | And that's the way it is           |
| And that's the way it is              |                                    |
| When you question me                  | (There's no (7) way out)           |
| For a simple answer                   | (When you're ready to go)          |
| I don't know what to say              | (And your heart's left in doubt)   |
| No                                    | Don't give up on your faith        |
| But it's plain to see                 | Love (8) to those who believe it   |
| If you stick together                 | And that's the way it is           |
| You're gonna (5) a way (yeah)         | That's the way it is               |
| So don't surrender                    | (That's the way it is)             |
| 'Cause you can win                    | That's the way it is (baby)        |
| In this thing called love             | (That's the way it is)             |
| When you want it the most             | Don't give up on your faith        |
| There's no easy way out               | Love comes to those who (9)        |
| When you're ready to go               | And that's the way it is           |
| And your heart's left in doubt        |                                    |
| Don't give up on your faith           |                                    |
