

Fill in the gaps

Eye to eye (1) winners and losers	Sweet little death
Hurt by envy	Just have (13) lies
Cut by greed	Some memories of
Face to (2) with their own disillusions	Gone by times
The (3) of old romances still on their cheeks	Will still recall the lie
And (4) blow by blow	The first cut won't hurt at all
The (5) dies	The second (14) makes you wonder
Sweet (6) death	The third will have you on your knees
Just have been lies some (7) of	You start bleeding I (15) screaming
Gone by times	The first cut won't (16) at all
Would still recall the lie	The second only makes you wonder
The first cut won't hurt at all	The third (17) have you on your knees
The second only makes you wonder	You (18) bleeding I (19) screaming
The third will have you	The (20) cut won't hurt at all
On your knees	The second (21) makes you wonder
You start bleeding I (8) screaming	The third will have you on your knees
It's too (9) the (10) is made	You start bleeding I (22) screaming
by fate	The first cut won't hurt at all
Time to prove (11) forever (12)	The (23) only makes you wonder
last	The (24) will have you on your knees
Whose feelings are so true	You start bleeding I start screaming
As to stand the test	
Whose demands are so strong	
As to parry all attempts	
And when blow by blow	
The passion dies
