

And all I know is that it feels like forever

Fill in the gaps

'm looking at you through the glass	But no one (17) tells you
Don't know how much time has passed	That (18) feels like home
Oh, god it feels like forever	Sitting all (19) inside your head
But no one ever (1) you	And it's the stars
That forever feels like home	The stars
Sitting all (2) inside your head	They shine for you
How do you feel?	And it's the stars
That is the question	The stars
But I forget	They lie to you
You don't expect an easy answer	Yeah
When something like a soul	I'm looking at you through the glass
Becomes (3) and folded up	Don't (20) how much time has passed
Like paper dolls and (4) notes	Oh, god it feels like forever
You can't expect a bit of hope	But no one ever tells you
So while you're outside looking in	That forever feels like home
Describing what you see	Sitting all alone (21) (22) head
Remember what you're staring at is me	'Cause I'm looking at you through the glass
Cause I'm looking at you through the glass	Don't know how much (23) has passed
Don't know how much time has passed	And all I know is (24) it feels like forever
All I know is (5) it feels like forever	But no one ever tells you
When no one (6) tells you	That forever feels like home
That forever feels like home	Sitting all alone (25) (26) head
Sitting all alone inside your head	And it's the stars
How much is real?	The stars
So much to question	They shine for you
An epidemic of the mannequins	Yeah
Contaminating everything	And it's the stars
When thought came from the heart	The stars
t never did (7) from the start	They lie to you
Just (8) to the noises	Yeah
(Null and (9) (10) of voices)	And it's the stars
Before you (11) yourself	The stars
t's just a different scene	They (27) for you
Remember it's (12) different from	Yeah
What you've seen	And it's the stars
'm looking at you through the glass	The stars
Don't know how (13) time has passed	They lie to you
And all I (14) is (15) it feels	Yeah yeah
(16) forever	(Ohhh) when the stars
When no one ever tells you	(Ohhh) when the stars
That forever feels like home	They lie
Sitting all alone inside your head	
Cause I'm looking at you through the glass	
Don't know how much time has passed
