Yeah

'Cause all (9)_____ the world

They're no different than us

All around the world

All around the world

...

I (10)_____ everything about you

Fill in the gaps

You're imperfectly perfect

Everyone's itching from beauty

But just scratching the surface

Lost time is never found

Can the DJ please reverse it?

In life we pay for change

Let's make every second worth it

Anything can work if you work it

When people say you don't deserve it

Then don't give in

'Cause hate may win some battles

But love wins in the end

You shine just like the sun

While the moon and the starts

Reflect your light

Beauty revolves around you

It's only right that

All around the world

People want to be loved

(Let me hear you)

All around the world

They’re no different than us

(No different, no different, no different...)

All around the world

(Hands up, hands up, hands up...)

(People want to be loved)

All around the world

...

(They’re no different than us)

All around the world

Fill in the gaps

(People want to be loved)

All around the world

...

All around the world

...

(Believe)
