Far away	Black (14) and revelations
The (1) is taking me far away	Hold you in my arms
Far away from the memories	I just wanted to (15) you in my arms
Of the people who (2) if I (3) or die	Far away
Starlight	The ship is (16) me far away
I will be (4) a starlight	Far away from the memories
Until the end of my life	Of the (17) who (18) if I live or die
I don't know if it's (5) it anymore	l'll (19) let you go
Hold you in my arms	If you promise not to fade away
I (6) to (8) you in	Never fade away
my arms	Our hopes and expectations
My life	Black (20) and (21)
You (9) my life	(yeah)
Let's (10) to ignite	Our (22) and expectations
All the souls that would die just to feel alive	Black holes and revelations
I'll never let you go	Hold you in my arms
If you (11) not to fade away	I just wanted to (23) you in my arms
Never (12) away	I just wanted to hold
Our hopes and expectations	
Black (13) and revelations	
Our hopes and expectations
