

## Fill in the gaps

High dive (1) frozen waves	And (12) us forget all common sense
Where the (2) comes back to life	Don't (13) as I try to leave
Fight (3) for the selfish pain	'Cause we both know what we'll choose
And it's worth it (4) time	If you (14) then I'll push too deep
Hold still right before we crash	And I'll fall (15) to you
'Cause we both (5) how this ends	'Cause you are the (17) of me
Our (6) ticks (7) it (8)	I wish I didn't need
(9) glass	Chasing relentlessly
And I drown in you again	Still (18) and I don't know why
'Cause you are the piece of me	If our (19) is tragedy
I wish I didn't need	Why are you my remedy?
Chasing relentlessly	If our love's insanity
Still fight and I don't know why	Why are you my clarity?
If our (10) is tragedy	Why are you my clarity?
Why are you my remedy?	Why are you my remedy?
If our love's insanity	Why are you my clarity?
Why are you my clarity?	Why are you my remedy?
If our love's tragedy	If our (20) is tragedy
Why are you my remedy?	Why are you my remedy?
If our love's insanity	If our love's insanity
Why are you my clarity?	Why are you my clarity?
Walk on through a red parade	
And refuse to make amends	
It (11) deep through our ground
