Boston Square by Deaf Havana

I know you met the devil once
When you were young
You let him in
Just to know to (1)_____ away
You made it twenty one years
Before he turned you round
To giving up
We traded knowledge in
Our fields of expertise and we partied away
And you (2)_____ up on everything
Do you think you'd still want to leave now?
You always were just a stubborn kid back then
I saw the (3)_____ that you wrote down
On the (4)_____ of your book
In the room where we spent our days
I (5)_____ you told me you threw
Your father's Jimmy Nail CD
Out of the (6)_____ of his car
It didn't get you (7)_____ far
In his good books
Because I know when you got home
He bent your spine over
The back of a kitchen chair
You lost so many days in there

Do you think you'd still want to leave now?
You always were just a stubborn kid back then
I saw the words that you wrote down
On the back of your book in the room
Where we spent our days
I saw the words that you (8)_____ down
On the back of your book in the room
Where we (9)_____ our days
In the room where we spent our days
I thought I saw your reflection
In the window of a passing car
But I guess I was wrong
All I am is wrong these days
Do you think you'd still want to leave now?
You always were just a stubborn kid back then
I saw the (10)_____ that you wrote down
On the back of your book in the room
Where we spent our days
I saw the words that you wrote down
On the back of your book in the room
Where we spent our days
