Now I don't know if I'm lost		I don't want to live alone
But (1) all (2) (3	3) the	I don't want to stay inside
same		I can learn from my mistakes
I am pushing on the door		In the (9) I'll be right
Between sorrow and fame		If I go all the way
I would (4) out of this hole		Then the girl won't stay
If it wasn't so cold		No the girl won't stay
In the morning, I'll be fine		I know I can change
In the morning, I'll be right		If we (10) get old
If I go all the way		Will you let me (11) away
Then the girl won't stay		If I go all the way
No the (5) won't stay		Then the girl won't stay
I know I can change		No the girl won't stay
If we (6) get old		I (12) I can change
Will you let me float away?		If we both get old
I don't want to be young		Will you let me float away?
But I don't want to die		
I can whisper in the wind		
We can (7) out (8)	night
