Something For The Pain by Bon Jovi

Happiness, it's been no friend to me	Run through my veins (I'm)
But forever after ain't what it's all cracked up to be	To a place where I feel no pain (falling)
Yeah, I had a taste, you were my fantasy	Be the (7) under my head (night)
But I almost lost my (1) when I hit reality	Cover me when I'm in your bed (is calling)
I don't need no Guru to tell me what to do	Take me higher than I've ever been (feels like)
When your feeling like a headline	Take me down and back again (I'm flying)
On yesterday's news	Come to me, be my (8) (Christ)
Come on, come on	Open your coat, let me crawl inside (I'm dying)
Give me something for the pain	Come on, come on
Give me something for the blues	Come on, come on
Give me something for the pain (2) I feel	Give me something for the pain
I've been danglin' from a hang-man's noose	Give me something for the blues
Give me shelter from the rain	Give me something for the pain when I feel
Give me (3) I can use	I've been danglin' (9) a hang-man's noose
To get me through the night	Give me shelter from the rain
Make me feel all right	Give me something I can use
Something like you	To get me through the night
Come on, come on	Make me feel all right
Loneliness has found a home in me	Something like you
My suitcase and guitar are my only family	Give me (10) for the pain
I've (4) to need someone	Give me something for the blues
Like they needed me	Give me something for the pain when I feel
I opened up my heart	I've been danglin' from a hang-man's noose
But all I did was bleed	Give me shelter from the rain
I don't need no lover	Give me something I can use
Just to get screwed, oh yeah	To get me through the night
They don't (5) a bandage	Make me feel all right
That's going to (6) my bruise	Something like you
Come on, come on	Come on, come on, come on, come on
Give me something for the pain	Come on, come on, come on, come on
Give me something for the blues	Give me!
Give me something for the pain when I feel	Give me something for the pain
I've been danglin' from a hang-man's noose	Give me!
Give me shelter from the rain	Give me something for the blues, oh yeah
Give me something I can use	Give me!
To get me through the night	Why don't you give me something for the pain, baby
Make me feel all right	Give me!
Something like you
