

When I was young

Fill in the gaps

When I was young		I never needed anyone	
I never (1)	anyone	Making love was just for fun	
And making love was just for fun		Those days are gone	
Those days are gone		All by myself	
Livin' alone		Don't wanna be	
I (2)	of all the friends I've known	All by myself	
When I dial the telephone		Anymore	
Nobody's home		All by myself	
All by myself		Don't (3) live	
Don't wanna be		Oh	
All by myself		Don't (4) live	
Anymore		By myself, by myself	
Hard to be sure		Anymore	
Sometimes I feel so insecure		By myself	
And loves so distant and obscure		Anymore	
Remains the cure		Oh	
All by myself		All by myself	
Don't wanna be		Don't (5) live	
All by myself		I never, never, never	
Anymore		Needed anyone
