## Up All Night (Live) by One Direction

## Fill in the gaps

	I (7) stay up all night
It feels (1) we (2) living in fast-foward	And jump around until we see the sun
Another moment passing by	I wanna stay up all night
(Up up up all night)	And find a girl and tell her she's the one
The party's ending but it's now or never	Hold on to the feeling
Nobody's going home tonight	And don't let it go
(Up up up all night)	'Cause we got the flow now
Katy Perry is on replay	Get out of control
She's on replay	I wanna stay up all night
DJ got the floor to shake	And do it all (8) you
The floor to shake	Up all night
People going all the way	Like this, all night, hey
Yeah, all the way	Up all night
I'm still wide awake	Like this, all night, hey
I wanna stay up all night	Up all night
And (3) around until we see the sun	Katy Perry is on replay
I (4) stay up all night	She's on replay
And find a girl and tell her she's the one	Katy Perry is on replay
Hold on to the feeling	(Up all night)
And don't let it go	DJ got the floor to shake
'Cause we got the flow now	The floor to shake
Get out of control	DJ got the floor to shake
I wanna stay up all night	(Up all night)
And do it all (5) you	Up all night, up all night
Up all night	We're gonna want to stay up all night
Like this, all night, hey	I wanna stay up all night
Up all night	And jump around until we see the sun
Like this, all night, hey	I (9) stay up all night
Up all night	And find a girl and tell her she's the one
Don't even care about the (6) breaking	Hold on to the feeling
We only wanna have a laugh	And don't let it go
(Up up up all night)	'Cause we got the (10) now
I'm only thinking 'bout this girl I'm seeing	Get out of control
I hope she wanna kiss me back	I wanna stay up all night
(Up up up all night)	And do it all with you, with you
Katy Perry is on replay	Up all night
She's on replay	Like this, all night, hey
DJ got the floor to shake	Up all night
The floor to shake	Like this, all night, hey
People going all the way	Up all night
Yeah, all the way	
I'm still wide awake (stay)
