	I wanna stay up all night
It feels like we been living in fast-foward	And jump around until we see the sun
Another (1) passing by	I wanna stay up all night
(Up up up all night)	And find a girl and tell her she's the one
The party's ending but it's now or never	Hold on to the feeling
Nobody's going home tonight	And don't let it go
(Up up up all night)	'Cause we got the flow now
Katy Perry is on replay	Get out of control
She's on replay	I wanna stay up all night
DJ got the floor to shake	And do it all with you
The floor to shake	Up all night
People going all the way	Like this, all night, hey
Yeah, all the way	Up all night
I'm still wide awake	Like this, all night, hey
l wanna stay up all night	Up all night
And jump (2) until we see the sun	Katy Perry is on replay
l wanna stay up all night	She's on replay
And find a girl and tell her she's the one	Katy Perry is on replay
