

Fill in the gaps

I know it's late	What do you say?	
I know you're weary	We've got tonight	
I know (1) (2) don't include me	Who needs tomorrow?	
Still here we are	We've got tonight, babe	
Both of us lonely	Why don't we stay?	
Longing for shelter	I know it's late and I know you're weary	
From all that we see	I know your (6) don't (7)	m
Why should we worry	Still here we are	
No one will care, girl	Both of us lonely	
Look at the (3) now, so far away	Both of us lonely	
We've got tonight	We've got tonight	
Who (4) tomorrow?	Who needs tomorrow?	
We've got tonight, babe	Let's make it last	
Why don't you stay?	Let's find a way	
Deep in my soul	Turn out the light	
I've been so lonely	Come take my (8) now	
All of my hopes so fading away	We've got tonight, babe	
And I've longed for love	Why don't we stay?	
Like everyone else does	We've got tonight, babe	
I know I'll keep searching after today	Why don't we stay?	
So there it is, girl		
We've got it all now		
And (5) we are, babe
