She captures her reflection	Change, change your life, take it all
Then she throws the mirror to the floor	(Take it all)
Her image is distorted screaming	We're gonna stick together
Is it worth it anymore?	Know we'll get through it all
(No-oh-oh)	Change, change your life, take it all, yeah
Are you scared of the things	(Take it all)
That they might put you through?	You're gonna use it to become
Does it (1) you wanna hide the (2)	What you've always known
you?	(Become what you've always known)
You're not the only one so let them criticize	Change, change your life (yeah) (6) it all
	(Change your life and take it all)
You're untouchable when you realize	Change, change your life (yeah) take it all
(Oh)	(Change your life and take it all)
Change, change your life, take it all	You got the right to show the world
We're gonna stick together	Something never seen
Know we'll get (3) it all	We (7) hear you scream it out
Change, change your life, take it all, yeah	You're not alone
(Take it all)	(Whoa, yeah)

His body starts to flicker	Know we'll get through it all
Like nobody (4) to know his name	(We're invincible)

They can rip you, bring you down, down to their size	Take it all
But they (5) never get to the heart you hold inside	Become (10) you've always known
(Mm, mm, mm)	
You're not the only one so let them criticize	
You're untouchable when you realize
