The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of your voice	Leave (4) you can
Made me believe that	Somewhere in time I will find you and haunt you again
That you were her	Like the wind sweeps the earth
Just like the river disturbs	Somewhere in time (5) no (6)
My inner peace	are left to defend
Once I believed I could find	You fall in deep
Just a trace of her beloved soul	I was a (7) in every debate
Once I believed she was all	I rule the forces that fueled your hate
Then she smothered my beliefs	When the cold in my heart leaves it comes to an end
One (1) winter's night	And quietly I'll go to sleep
I may follow her voice to the river	Follow me into the light
Somewhere in time I will find you and haunt you again	Like ice on a lake of tears
Like the wind sweeps the earth	I'll take you through
Somewhere in time (2) no virtues are left to defend	Or leave me tonight
You fall in deep	I've gone too far to begin all anew
How could that first time recur	With someone like you
When memories linger	Somewhere in time I will find you and love you again
On and on	Like the wind (8) the earth
What made me think you were her	Somewhere in time when no virtues are left to defend
Helena is dead to all	You've fallen deep
Dead to all	I was a liar in every debate
Nothing can bring her to life	I rule the forces that fueled your hate
Don't pretend that I'll be loving you	When the cold in my (9) leaves it comes to an
Once I believed she was gone	end
