

## Fill in the gaps

## The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of your voice	Leave while you can
Made me believe that	Somewhere in time I will (10) you and haunt you
That you (1) her	again
Just like the river disturbs	Like the wind sweeps the earth
My inner peace	Somewhere in time when no virtues are (11) to
Once I believed I could find	defend
Just a trace of her beloved soul	You fall in deep
Once I (2) she was all	I was a (12) in (13) debate
Then she smothered my beliefs	I (14) the (15) that
One cold winter's night	(16) hate
may follow her voice to the river	When the cold in my heart (18) it comes to an
Somewhere in time I will (3) you and	end
(4) you again	And quietly I'll go to sleep
Like the wind (5) the earth	Follow me into the light
Somewhere in time (6) no virtues are left to defend	Like ice on a (19) of tears
You fall in deep	I'll take you through
How (7) that first time recur	Or (20) me tonight
When (8) linger	I've gone too far to begin all anew
On and on	With someone like you
What made me think you were her	Somewhere in time I (21) (22) you and
Helena is (9) to all	love you again
Dead to all	Like the wind sweeps the earth
Nothing can bring her to life	Somewhere in time when no virtues are left to defend
Don't pretend that I'll be loving you	You've fallen deep
Once I believed she was gone	I was a (23) in every debate
corrupted from within	I rule the (24) (25) fueled your
Leave, leave me for now and forever	hate
	When the cold in my heart leaves it (26) to an
	end
	Quietly I'll go to sleep
