

Fill in the gaps

The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the (1)_____ of (2)_____ voice

Made me believe that

That you were her

Just like the river disturbs

My inner peace...

Once I (3)_____ I (4)_____ find

Just a (5)_____ of her (6)_____ soul

Once I believed she was all

Then she smothered my beliefs

One cold winter's night

I may follow her voice to the river

Somewhere in time I will find you and haunt you again

Like the wind sweeps the earth

Somewhere in time when no (7)_____ are

(8)_____ to defend

You (9)_____ in deep

How could that first time recur

When memories linger

On and on...

What (10)_____ me think you (11)_____ her

Helena is dead to all

Dead to all

Nothing can bring her to life

Don't pretend (12)_____ I'll be loving you

Once I believed she was gone

I (13)_____ (14)_____ within

Leave, leave me for now and forever

Leave while you can

Somewhere in (15)_____ I will find you and

(16)_____ you again

Like the wind sweeps the earth

Somewhere in time when no virtues are (17)_____ to

defend

You fall in deep

I was a liar in (18)_____ debate

I (19)_____ the forces that fueled your hate

When the cold in my heart (20)_____ it comes to an

end

And quietly I'll go to sleep...

Follow me into the light

Like ice on a lake of tears

I'll take you through

Or (21)_____ me tonight

I've gone too far to begin all anew

With someone like you

Somewhere in (22)_____ I will find you and

(23)_____ you again

Like the (24)_____ sweeps the earth

Somewhere in (25)_____ when no virtues are left to

defend

You've fallen deep

I was a liar in every debate

I rule the forces that (26)_____ your hate

When the cold in my (27)_____ leaves it comes to an

end

Quietly I'll go to sleep
