Leave, leave me for now and forever

Fill in the gaps

The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of your voice	Leave while you can
Made me believe that	Somewhere in time I will find you and (6) you
That you were her	again
Just like the river disturbs	Like the wind sweeps the earth
My (1) peace	Somewhere in time when no virtues are left to defend
Once I believed I could find	You fall in deep
Just a (2) of her beloved soul	I was a liar in every debate
Once I believed she was all	I rule the forces that fueled your hate
Then she smothered my beliefs	When the cold in my heart leaves it comes to an end
One cold winter's night	And quietly I'll go to sleep
I may follow her voice to the river	Follow me into the light
Somewhere in time I (3) find you and	Like ice on a lake of tears
(4) you again	I'll take you through
Like the wind sweeps the earth	Or leave me tonight
Somewhere in time when no virtues are left to defend	I've gone too far to begin all anew
You fall in deep	With someone like you
How could that first time recur	Somewhere in time I will find you and love you again
When memories linger	Like the wind sweeps the earth
On and on	Somewhere in time when no virtues are (7) to
What (5) me think you were her	defend
Helena is dead to all	You've fallen deep
Dead to all	I was a liar in every debate
Nothing can bring her to life	I rule the (8) that fueled your hate
Don't pretend that I'll be loving you	When the cold in my heart leaves it (9) to an end
Once I believed she was gone	Quietly I'll go to sleep
I corrupted from within
