Face Down by The Red Jumpsuit Apparatus

Hey, girl, you know you drive me crazy		She said "this doesn't hurt"
One look puts the rhythm in my hand		She said "I finally had enough"
Still I'll (1)	understand why you hang around	Face down in the dirt
I see what's going down		She said "this doesn't hurt"
Cover up with (2) in the mirror		She said "I (9) had enough"
Tell yourself, it's never gonna happen again		One day she will tell you
You cry alone and then he swears he (3) you		That she has had enough
Do you feel like a man		It's coming round again
When you push her around?		Do you feel like a man
Do you feel better now		When you push her around?
As she falls to the ground?		Do you feel better now
Well I'll tell you my friend		As she falls to the ground?
One day this world's going to end		Well I'll tell you my friend
As your lies crumble down		One day this world's going to end
A new life she has found		As your lies crumble down
A pebble in the water (4) a ripple effec		A new life she has found
Every action in this world will bear a consequence		Do you feel like a man
If you wade around forever, you will surely drown		When you push her around?
I see what's (5) down		Do you feel better now
I see the way you go and say you're right again		As she falls to the ground?
Say you're right again, heed my lecture		Well I'll tell you my friend
Do you (6) like a man		One day this world's going to end
When you push her around?		As your lies crumble down
Do you (7) better now		A new life she has found
As she falls to the ground?		Face down in the dirt
Well I'll tell you my friend		She said "this doesn't hurt"
One day this world's going to end		She said "I finally had enough"
As your lies (8)	down	
A new life she has	found
