In One Ear by Cage The Elephant

Fill in the gaps

| They say (1) we ain't got the style | But it (8) in one ear |
|---|--|
| We ain't got the class | And right out the other |
| We ain't got the tunes | People talkin' **** |
| That's goin to put us on the map | Even though they never bother |
| And I'm a (2) in disguise | It goes in one ear |
| Trying to make the radio | And right out the other |
| I'm an anti-social anarchist | People talkin' **** |
| I sound like so and so | They can kiss the back of my hand |
| They say I'm just a stupid kid | You hear that? |
| Another crazy radical | You hear what's coming? |
| Rock and (3) is dead | (Oh) you better run for the hills |
| I probably should've stayed in school | 'Cause we're coming to your town |
| Another generation X | And we're gonna burn that ********* down |
| Who somehow slipped up through the cracks | |
| (Oh) they'd (4) to see me fall | Here's the (9) to the story |
| But I'm already on my back | We don't do it for the glory |
| So it goes In one ear | We don't do it for the money |
| And right out the other | We don't do it for the fame |
| People talkin' **** | So all the critics who despise |
| But you know I (5) bother | Go ahead and criticise |
| It goes in one ear | It's your tyranny that drives us |
| And right out the other | Adds the fire to our flames |
| People talkin' **** | And it goes in one ear |
| They can kiss the back of my hand | And right out the other |
| Now I know I'm not a saint | People talkin' **** |
| I been a sinner all my life | But you know we'll (10) bother |
| I ain't trying to hide my flaws | It goes in one ear |
| I'd rather keep them in the light | And right out the other |
| They wanna criticise, scrutinize | I'm only playing music |
| Cast (6) stone | 'Cause you know I ****** love it |
| Burn me at the stake | It goes in one ear |
| And sit and watch it from their throne | And right out the other |
| They say the devil is my pal | People talkin' **** |
| I do a lotta drugs! | But you know I never bother |
| The crowd will only like me | It goes in one ear |
| If they're really ****** drunk | And right out the other |
| They think they (7) my thoughts | People talkin' **** |
| But they don't know the list | They can kiss the back of my hand |
| If they listen to the words | |
| They'd find a message tucked beneath | |

- 1. that
- 2. phony
- 3. roll
- 4. love
- 5. never
- 6. another
- 7. know
- 8. goes
- 9. moral
- 10. never
