In One Ear by Cage The Elephant

They say that we ain't got the style	But it goes in one ear
We ain't got the class	And right out the other
We ain't got the tunes	People talkin' ****
That's (1) to put us on the map	Even though they never bother
And I'm a phony in disguise	It goes in one ear
Trying to make the radio	And (10) out the other
I'm an anti-social anarchist	People talkin' ****
I sound like so and so	They can kiss the back of my hand
They say I'm just a stupid kid	You hear that?
Another (2) radical	You hear what's coming?
Rock and roll is dead	(Oh) you better run for the hills
I probably should've stayed in school	'Cause we're coming to your town
Another (3) X	And we're gonna burn that ************ down
Who somehow (4) up through the cracks	
(Oh) they'd love to see me fall	Here's the moral to the story
But I'm already on my back	We don't do it for the glory
So it goes In one ear	We don't do it for the money
And right out the other	We don't do it for the fame
People talkin' ****	So all the critics who despise
But you know I never bother	Go ahead and criticise
It goes in one ear	It's (11) tyranny that drives us
it goes in one car	its (11) tyranny mat unives us
And right out the other	Adds the fire to our flames
•	
And right out the other	Adds the fire to our flames
And right out the other People talkin' ****	Adds the fire to our flames And it goes in one ear
And right out the other People talkin' **** They can (5) the back of my hand	Adds the fire to our flames And it goes in one ear And (12) out the other
