## In One Ear by Cage The Elephant

They say that we ain't got the style	But it goes in one ear
We ain't got the class	And right out the other
We ain't got the tunes	People talkin' ****
That's goin to put us on the map	Even though they never bother
And I'm a (1) in disguise	It goes in one ear
Trying to make the radio	And right out the other
I'm an anti-social anarchist	People talkin' ****
I sound like so and so	They can kiss the back of my hand
They say I'm just a stupid kid	You hear that?
Another crazy radical	You hear what's coming?
Rock and roll is dead	(Oh) you better run for the hills
I probably should've stayed in school	'Cause we're coming to your town
Another generation X	And we're (10) burn that ********** down
Who somehow slipped up through the cracks	
(Oh) they'd love to see me fall	Here's the moral to the story
But I'm already on my back	We don't do it for the glory
So it goes In one ear	We don't do it for the money
And right out the other	We don't do it for the fame
People talkin' ****	So all the critics who despise
But you know I never bother	Go ahead and criticise
It goes in one ear	It's your tyranny that drives us
And right out the other	Adds the fire to our flames
People talkin' ****	And it (11) in one ear
They can kiss the (2) of my hand	And right out the other
Now I know I'm not a saint	People talkin' ****
I been a sinner all my life	But you know we'll never bother
I ain't trying to hide my flaws	It goes in one ear
I'd (3) (4) (5) in the light	And right out the other
They wanna criticise, scrutinize	I'm (12) playing music
Cast another stone	'Cause you (13) I ******* (14) it
Burn me at the stake	It goes in one ear
And sit and watch it from their throne	And right out the other
They say the devil is my pal	People talkin' ****
I do a lotta drugs!	But you know I never bother
The crowd will only like me	It goes in one ear
If they're really (6) drunk	And right out the other
They think (7) know my thoughts	People talkin' ****
But they don't (8) the list	They can kiss the back of my hand
If they (9) to the words
