When You Kiss Me (Live) by Shania Twain

This could be it	And when you're with me
I (1) I'm in love	The world (10) goes away
It's love this time	The way you hold me
It (2) seems to fit	The way you show me
I think I'm in love	That you adore me
This (3) is mine	Oh, when you kiss me
I can see you with me when I'm older	I can see you with me when I'm older
All my lonely nights are finally over	All my lonely (11) are finally over
You took the weight of the world off my shoulders	You took the weight of the world off my shoulders
(The world just (4) away)	(The world just (12) away)
And when you kiss me	And (13) you (14) me
I know you miss me	I (15) you miss me
And when you're with me	And when you're (16) me
The world (5) (6) away	The world just (17) away
The way you hold me	The way you (18) me
The way you show me	The way you show me
That you adore me	That you adore me
Oh, when you kiss me	The (19) just (20) away
Oh, yeah	The way you hold me
You are the one	When you (21) me
I think I'm in love	(I know you miss me)
Life has begun	I (22) you (23) me
(I (7) I'm in love)	(And (24) you're (25) me)
I can see the two of us together	Oh
I know I'm gonna be with you forever	The world just (26) away
Love couldn't be any better	When you kiss me
(The (8) (9) goes away)	
And when you kiss me	
I know you miss me
