

## Fill in the gaps

Hello, hello	Now I'm back at (14) door
I know it's been awhile, but, baby	You're looking at me, unsure
I got something (1) I really wanna let you know	I should've seen it before
Yeah	You're all I think about baby
Something that I wanna let you know	I was so stupid for (15) you go
You say, you say to everybody	But III (16) you're still the one
That you hate me	You might have (17) on
Couldn't blame you	But girl you should know
Cause I know I (2) you all alone, yeah	That III (18) you're still the one
I know (3) I left you all alone	I know I'm saying too much
Yeah	But I (19) never give up
Now I'm back at your door	I was so stupid for letting you go
You're (4) at me, unsure	But III know you're (20) the one
I should've seen it before	III (hey)
You're all I think about baby	III (hey)
I was so stupid for letting you go	III (hey)
But III know you're (5) the one	III
You might have moved on	Hey
But girl you should know	You
That III (6) you're still the one	You're (21) the one
I (7) I'm (8) too much	Hey
But I will never give up	You
I was so stupid for (9) you go	You're still the one
I I I know you're still the one	Hey
I I I know you're still the one	You
Hello, hello	You're (22) the one
I'm really hoping you'll forgive me	Hey
I (10) talking, begging	You
Tell me what I wanna hear, yeah	You're still the one
Girl, just tell me (11) I wanna hear	I know I'm saying too much, yeah
I tried and tried	But I will never (23) up
To start (12) and find somebody	I was so stupid for letting you go
But I remember all the times	III know you're (24) the one
And all the (13) we said, yeah	III (25) you're still the one
I can't get it out of my head	
Vooh
