

Fill in the gaps

Bat Country by Avenged Sevenfold

He who makes a (1) out of himself	But don't be surprised when things aren't what they seem
Gets rid of the pain of being a man	Caught (16) in a fiery blaze, won't (17)
Caught here in a (2) blaze, won't lose my	my will to stay
(3) to stay	These eyes won't see the same, after I flip today
I tried to (4) all through the night	Sometimes I don't know why we'd (18) live
The heat stroke (5) weather, the barren empty	than die
sights	We (19) up towards the sky for answers to our
No oasis here to see	lives
The sand is singing deathless words to me	We may get some (20) but
Can't you help me? As I'm startin' to burn	(21) just (22) us by
(All alone)	Don't want your absolution â??cause I can't (23) it
Too many doses and I'm starting to get an attraction	right
My (6) is (7) me	I'll make a (24) out of myself
on my own	Gets rid of all the pain of being a man
(All alone)	Can't you help me? As I'm startin' to burn
No one can (8) me and you know I don't want the	(All alone)
attention	Too many doses and I'm starting to get an attraction
As I (9) to my new sights	My confidence is leaving me on my own
The rarely tired (10) will take me to new	(All alone)
heights	No one can save me and you know I don't want the attention
My hand is on the trigger I'm ready to ignite	I'm sorry you're not here
Tomorrow might not (11) it but everything's all right	I've been sane too long my vision's so unclear
Mental fiction follow me	Now take a trip with me
Show me what it's like to be set free	But don't be surprised when things aren't what they seem
Can't you help me? As I'm startin' to burn	I've (25) it from the start
(All alone)	All these (26) ideas (27) tear your brain
Too (12) (13) and I'm starting to get	apart
an attraction	Scared but you, you follow me
My confidence is (14) me on my own	I'm too weird to live but much too (28) to die
(All alone)	
No one can save me and you know I don't want the attention	
I'm (15) you're not here	
I've been sane too long my vision's so unclear	
Now take a trip with me
