

Fill in the gaps

Check it out	But I'm lying to myself
It feels kind crazy	'Cause I know I don't want nobody else
These covers	'Cause these lips are missing you (missing you)
May keep me warm at night	'Cause (8) lips ain't kissing you (kissing you)
But they cant (1) (2) place	These eyes put up a fight
Cause they (3) (4) hold me tight	But once again these tears always win
And these pillows	These arms are wanting you (wanting you)
May let me rest my head	'Cause these arms ain't holding you (holding you)
But they cant say good night	These (9) put up a fight
And tuck me in before I go to bed	But once again these tears always win
Say now baby girl you're better off	Tell me when the hell this
That's what I'm telling myself	Loneliness is gonna be over
	(Gonna be over)
But I'm lying to myself	When everything in this room reminds me of you
Cause I know I don't want (5) else	(You)
These lips are missing you	Everytime I think, I'm getting closer
Cause these (6) ain't kissing you	'Cause tears drown me out, once again I lose
These eyes put up a fight	'Cause these lips are missing you (missing you)
But once again these (7) always win	'Cause these lips ain't kissing you (kissing you)
These arms are wanting you	I put up a fight
'Cause these arms ain't holding you	But once again these tears always win
These eyes put up a fight	Crying like
But once again these tears always win	(Oh oh oh oh)
These candles	These eyes put up a fight
Light up my room at night	But once again these tears always win
But they can't lid the room the way you did	Crying like
When you walked inside	(Oh oh oh oh)
Oh baby	These eyes put up a fight
If these walls could sing	But (10) again these tears always win
About everything they've witnessed	These eyes put up a fight
Oh it'd be a sad sad song	But once again
And it'll probably sound something like this	These tears always win
I say now baby girl you're better off	
That's what I'm telling myself
