

Fill in the gaps

Check it out	But I'm (10) to myself
It feels kind crazy	'Cause I know I don't want nobody else
These covers	'Cause these lips are missing you (missing you)
May keep me warm at night	'Cause these (11) ain't kissing you (kissing you)
But they cant (1) your place	These eyes put up a fight
Cause they never gonna hold me tight	But once again these (12) (13)
And (2) pillows	win
May let me rest my head	These (14) are wanting you (wanting you)
But they cant say good night	'Cause these arms ain't (15) you (holding
And tuck me in before I go to bed	you)
Say now baby girl you're better off	These eyes put up a fight
That's what I'm telling myself	But (16) again these tears always win
	Tell me when the (17) this
But I'm lying to myself	Loneliness is (18) be over
Cause I know I don't want nobody else	(Gonna be over)
These lips are missing you	When (19) in this room reminds me
Cause these lips ain't kissing you	of you
These eyes put up a fight	(You)
But (3) again these (4) always win	Everytime I think, I'm getting closer
These arms are wanting you	'Cause tears drown me out, once (20) I lose
Cause these (5) ain't holding you	'Cause (21) lips are (22) you
These eyes put up a fight	(missing you)
But once again these (6) always win	'Cause these lips ain't kissing you (kissing you)
These candles	I put up a fight
Light up my room at night	But (23) again (24) tears always win
But they can't lid the room the way you did	Crying like
When you (7) inside	(Oh oh oh oh)
Oh baby	These eyes put up a fight
If these walls could sing	But (25) (26) these tears always win
About everything they've witnessed	Crying like
Oh it'd be a sad sad song	(Oh oh oh oh)
And it'll probably sound something like this	These eyes put up a fight
I say now (8) girl you're better off	But once again these (27) (28)
That's (9) I'm telling myself	win
	These eyes put up a fight
	But once again
	These tears always win
