Fill in the gaps

You told me	No matter what you say
There's no need to talk it out	I won't return
'Cause its too late to proceed	Our bridge has burned down
And slowly	I'm stronger now
I took your words and walked away	Alright, OK
No looking back	I'm so much better without you
I won't regret, no	I won't be sorry
I will find my way	Don't waist you fiction tears on me
I'm broken	Just save them for (7) in need
But still I have to say	It's way to late
It's alright, OK	I'm closing the door
I'm so (1) (2) without you	It's alright, OK
(I won't be sorry)	I'm so much better without you
Alright, OK	(I won't be sorry)
So don't you (3) what I do	Alright, OK
No matter what you say	So don't you (8) what I do
I won't return	No matter (9) you say

Your love was (5) but a game	It's Alright, OK
Portrait a role	Alright, OK
You took control, I	Without you
I couldn't help but fall so deep	No matter what you say
But now I see things clear	It's Alright, OK
It's alright, OK	Alright, OK
