

And no red lights

Fill in the gaps

And no red lights	Down the ride of night (oh oh)
Down the ride of (1) (oh oh)	Tell me that you're ready
Tell me that you're ready	'Cause I don't wanna hit and run
'Cause I don't wanna hit and run	The mood's just right
Excuse me	Make you come alive (oh oh)
Can I (2) you up and take you there?	Tell me that you're ready
I set the mood right	'Cause I don't wanna hit and run
When I (3) it up, light it up	They see you drop the love
Had me from the first hit	Don't want no hit and run
Never felt this high before	Tell me that you're ready
(Oh oh oh oh oh)	'Cause I don't wanna hit and run
So why don't we take it back	They see you drop the love
To my place at Atlanta State	Don't want no hit and run
(Oh oh oh oh)	Tell me that you're ready
Don't wanna hit and run	'Cause I don't wanna hit and run
And no red lights	And I (6) lift you up
Down the ride of (4) (oh oh)	I wanna take you there
Tell me that you're ready	And I wanna lift you up
'Cause I don't wanna hit and run	I wanna take you there
The mood's just right	I don't (7) hit and run
Make you come alive (oh oh)	And no red lights
Tell me that you're ready	Down the ride of night (oh oh)
'Cause I don't wanna hit and run	Tell me that you're ready
They see you drop the love	'Cause I don't wanna hit and run
Don't want no hit and run	The mood's just right
Tell me that you're ready	Make you come alive (oh oh)
'Cause I don't wanna hit and run	Tell me that you're ready
We're (5) so tight	'Cause I don't wanna hit and run
Caught up in the sweat and skin	They see you drop the love
Hot in the moonlight	Don't (8) no hit and run
When I fire it up, fire it up	Tell me (9) you're ready
I got the green light	'Cause I don't (10) hit and run
Failing for you finishline	They see you drop the love
(Oh oh oh oh oh)	Don't want no hit and run
So why don't we take it back	Tell me that you're ready
To my place at Atlanta State	'Cause I don't wanna hit and run
(Oh oh oh oh)	
Don't wanna hit and run	

- 1. night
- 2. lift
- 3. light
- 4. night
- 5. twisted
- 6. wanna
- 7. wanna
- 8. want
- 9. that
- 10. wanna
