

## Fill in the gaps

As I watch you move	Hold me in the darkness
Across the moonlit room	Tonight, you calm my restlessness
There's so much (1) in your loving	You relieve my sadness
Tomorrow I (2) leave	Tonight, I need (17) sweet caress
The dawn knows no reprieve	Hold me in the darkness
God give me (3) (4) I am	Tonight, you calm my restlessness
leaving	You (18) my sadness
So raise (5) hands to heaven and pray	Morning has come, another day
That we'll be back together someday	I must pack my bags and say goodbye
Tonight, I need your (6) caress	Goodbye
Hold me in the darkness	Tonight, I need (19) sweet caress
Tonight, you calm my restlessness	Hold me in the darkness
You relieve my sadness	Tonight, you calm my restlessness
As we (7) to embrace	You relieve my sadness
Tears run (8) your face	Tonight, I need your (20) caress
I whisper words of love, so softly	Hold me in the darkness
I can't believe this pain	Tonight, you calm my restlessness
It's (9) me insane	You relieve my sadness
Without your touch, (10) (11) be lonely	
So (12) your (13) to	
(14) and pray	
That we'll be back (15) someday	
Tonight Lneed your (16) caress
