

Will we take this

It's not hard to see through the fakeness

Fill in the gaps

So am I (1) waiting	So tell me (6) would you say
For (2) to stop hating	I'd say it's time too late
Can't find a good reason	So am I still waiting
Can't find hope to believe in	For this world to stop hating
Drop dead	Can't find a good reason
A bullet to my head	Can't find (7) to believe
Your words are like a gun in hand	This can't last forever
You can't change the state of the nation	Time won't make things better
We just need some motivation	I feel so alone
These eyes	Can't help myself
Have seen no conviction	And no one knows
Just lies and more contradiction	If this is worthless, tell me so
So (4) me what would you say	What have we done
I'd say it's time too late	With a war that can't be won
So am I still waiting	This can't be real
For this world to stop hating	Cause I don't know (8) to feel
Can't find a good reason	So am I still waiting
Can't (5) hope to believe in	For (9) (10) to stop hating
Ignorance	Can't find a good reason
And understanding	Can't find hope to believe in
We're the first ones to jump in line	So am I still waiting
Out of step for what we believe in	For this world to stop hating
But who's left to stop the bleeding	Can't find a good reason
How far	For this world to believe
