| (Oh, oh, oh, oh, oh)                           |
|--|
| You're so good to me, baby, baby               |
| I wanna lock you up in my closet               |
| Where no one's around                          |
| I wanna push (1) hand in my pocket             |
| Because you're allowed                         |
| I wanna (2) you into the corner                |
| And kiss you without a sound                   |
| I (3) to stay (4) way forever                  |
| I'll say it loud                               |
| Now you're in, you can't get out               |
| You make me so hot, you (5) me wanna drop      |
| You're so ridiculous, I can barely stop        |
| I can hardly breathe, you make me wanna scream |
| You're so fabulous                             |
| You're so good to me, baby, baby               |
| You're so good to me, baby, baby               |
| I can make you (6) all better                  |
| Just take it in                                |
| And I can show you all the places              |
| You've never been                              |
| And I can make you say everything              |
| That you never said                            |
| And I will let you do anything                 |
| Again and again                                |

| Now you re in, you can't get out               |

| Kiss me gently                                 |
| Always I know                                  |
| Hold me, love me                               |
| Don't ever go (yeah)                           |
