

Fill in the gaps

You have a way of coming	Oh, (12) a shame
Easily to me	What a rainy ending
And (1) you take	Given to a perfect day
You (2) the very best of me	So just walk away
So I start to fight	No use defending words
Cause I need to feel something	That you will never say
And you do what you want	And now that I'm (13) here
Cause I'm not what you wanted	Thinking it through
Oh, (3) a shame	I've never been (14) (15) as
What a rainy ending	you
Given to a perfect day	You (16) gave it a damn thing, honey
Just walk away	But I cried, (17) for you
No use (4) words	And I know you wouldn't (18) told nobody
That you (5) never say	If I died, died for you, died for you
And now that I'm (6) here	Oh, (19) a shame
Thinking it through	What a rainy ending
I've never been anywhere	Given to a (20) day
Cold as you	Every (21) you fake
You put walls and paint them	Is so condescending
All (7) of grey	Counted all the (22) you've made
And I stood (8) you	And now (23) I'm (24) here
And wished them all away	Thinking it trough
And you come away	I've never (25) anywhere
With a (10) story	Cold as you
Of a mess of dreamer	
With the nerve to adore you
