

Fill in the gaps

I didn't know what I would find
When I went looking for a reason, I know
I didn't read between the lines
And baby, I've got (1) to go
I (2) to take the road less travelled by
But nothing seems to work the (3) few times
Am I right?
So how can I ever try to be better?
Nobody ever lets me in
I can still see you, this ain't the best view
From the outside, looking in
And I've been a lot of lonely places
I've (4) (5) on the outside
You saw me there but never knew
That I would give it all up to be
A part of this, a part of you
And now it's all too late so you see
You could've (6) if you had wanted too

But no one notices until it's too
Late to do anything
How can I ever try to be better?
If nobody ever lets me in
And I can (7) see you, this ain't the best view
From the outside, looking in
And I've been a lot of lonely places
I've never been on the outside
(Oh, yeah)
How can I ever try to be better?
If nobody ever lets me in
And I can still see you, this ain't the best view
From the outside, looking in
And I've (8) a lot of lonely places
I've never (9) on the outside
(Uh, oh, uh)
