| Watch you smile while you are sleeping   |                            | I don't wanna miss one kiss   |         |         |                                 |  |                                |  |  |
| While you're far away and dreaming   |                            | I (7) wanna be with you   |         |         |                                 |  |                                |  |  |
