## A Thousand Kisses Deep by Leonard Cohen

The ponies run, the girls are young	I blessed our remnant fleet
The odds are there to beat	And then consented to be wrecked
You win a while, and (1) it's done	A thousand kisses deep
Your little winning streak	I'm turning tricks, I'm (5) fixed
And summoned now to deal	I'm back on Boogie street
With your invincible defeat	I guess they won't exchange the gifts
You live your life as if it's real	That you were meant to keep
A thousand kisses deep	And (6) is the thought of you
I'm turning tricks, I'm getting fixed	The file on you complete
I'm back on (2) Street	Except what we forgot to do
You (3) your grip, and then you slip	A thousand kisses deep
Into the masterpiece	And sometimes when the (7) is slow
And maybe I had miles to drive	The wretched and the meek
And promises to keep	We gather up our hearts and go
You ditch it all to stay alive	A thousand kisses deep
A thousand kisses deep	The ponies run, the (8) are young
And sometimes when the night is slow	The odds are there to beat
The wretched and the meek	You win a while, and then it's done
We gather up our hearts and go	Your little winning streak
A thousand (4) deep	And (9) now to deal
Confined to sex, we pressed against	With your invincible defeat
The limits of the sea	You (10) your life as if it's real
I saw there were no oceans left	A thousand kisses deep
For scavengers like me
