Fill in the gaps

A Thousand Kisses Deep by Leonard Cohen

The (1) run, the girls are young	I blessed our remnant fleet
The odds are there to beat	And then consented to be wrecked
You win a while, and (2) it's done	A thousand kisses deep
Your little winning streak	I'm (8) tricks, I'm getting fixed
And summoned now to deal	I'm back on Boogie street
With your invincible defeat	I guess they (9) exchange the gifts
You (3) your life as if it's real	That you were meant to keep
A thousand kisses deep	And quiet is the thought of you
I'm turning tricks, I'm getting fixed	The file on you complete
I'm back on Boogie Street	Except what we forgot to do
You lose (4) grip, and then you slip	A thousand kisses deep
Into the masterpiece	And sometimes when the night is slow
And maybe I had miles to drive	The wretched and the meek
And (5) to keep	We gather up our hearts and go
You ditch it all to stay alive	A thousand kisses deep
A thousand kisses deep	The ponies run, the girls are young
And sometimes when the night is slow	The odds are there to beat
The wretched and the meek	You win a while, and then it's done
We gather up our hearts and go	Your little winning streak
A thousand kisses deep	And summoned now to deal
Confined to sex, we pressed against	With your invincible defeat
The limits of the sea	You live your life as if it's real
I saw there were no (6) left	A thousand kisses deep
For scavengers (7) me	
I made it to the forward deck
