

## Fill in the gaps

You don't even have to try
It comes easy for you
The way you move is so appealing
It could make me cry
Go out driving (1) my friends
In Bobby's big old beat up car
I'm with a lot of people then
I (2) where you are
Good times, bad times, (3) me some of that
Good times, bad times, give me some of that
Good times, bad times, give me some of that
I don't want to say goodbye
Don't want to walk you to the door
I spend a little time (4) you
I want a little more
Good times, bad times, give me some of that
Good times, bad times, give me some of that

Good times, bad times, (5) me some of that
And (6) really, I don't have to
I don't (7) to go anywhere right now
You want some more, you (8) some (9)
of this
Anywhere where you want baby, just
Say it, (10) say it
Good times, bad times, give me some of that
Good times, bad times, give me some of that
Good times, bad times, give me some of that
Now I want those good, good, good times
And got those bad, bad, bad times
(I want those good, good, good, good times)
(Gimme some of that)
