

I'll free your mind

Fill in the gaps

When everything is going wrong	I'll free your mind
And you can't see the point in going on	I'll free your mind
Well nothing in life is set in stone	I'll free your mind
There's (1) that can't be (2)	(Boys) Behind closed doors and under stars
around	(Girls) It doesn't (4) where you are
Nobody wants to feel alone	(Boys) Collecting jewels that catch (5) eye
And everybody wants to love someone	(Girls) Don't let a soulmate pass you by
Out of the tree go pick a plum	(Boys) Boys in the girls room
Why can't we all just get along?	(Girls) Girls in the men's room
(Boys) Boys in the girls room	You free your mind in your androgyny
(Girls) Girls in the men's room	Boys in the parlor
You free your (3) in your androgyny	They're getting harder
(Boys) Boys in the parlor	I'll free (6) mind
(Girls) They're getting harder	I'll free your mind
I'll free your mind and your androgyny	Boys in the girls room
No sweeter a taste that you could find	Girls in the men's room
Than fruit hanging ripe upon the vine	You free (7) mind in your androgyny
There's never been an oyster so divine	Boys in the parlor
A river deep that never runs dry	They're getting harder
(What you need)	I'll free (8) mind
The birds and bees they hum along	I'll free your mind
Like treasures they twinkle in the sun	I'll free your mind
Get on board and have some fun	I'll free your mind
Take what you need to turn you on	Boys
(Boys) Boys in the girls room	Girls
(Girls) Girls in the men's room	Boys
You free your mind in your androgyny	Girls
(Boys) Boys in the parlor	
(Girls) They're getting harder
