

## Fill in the gaps

i m coming out of my cage	Because I want It all
And I've been (1) just fine	It started out with a kiss
Gotta gotta be down	How did it end up (5) this?
Because I want it all	It was (6) a kiss, it was only a kiss
It started out with a kiss	Now I'm falling asleep
How did it end up like this?	And she's calling a cab
It was only a kiss, it was only a kiss	While he's having a smoke
Now I'm falling asleep	And she's taking a drag
And she's calling a cab	Now they're going to bed
While he's having a smoke	And my stomach is sick
And she's taking a drag	And it's all in my head
Now they're (2) to bed	But she's touching his chest
And my stomach is sick	Now, he takes off her dress
And it's all in my head	Now, letting me go
But she's touching his chest	Cause I just can't (7) it's (8) me
Now, he takes off her dress	And taking control
Now, letting me go	Jealousy
And I (3) can't look it's killing me	Turning saints into the sea
And taking control	Swimming through sick lullabies
Jealousy	Choking on your alibis
Turning saints into the sea	But it's just the price I pay
Swimming through sick lullabies	Destiny is (9) me
Choking on your alibis	Open up my eager eyes
But it's just the price I pay	'Cause I'm Mr Brightside
Destiny is calling me	I never
Open up my eager eyes	I never
'Cause I'm Mr Brightside	I never
I'm coming out of my cage	I never
And I've been (4) just fine	
Gotta gotta be down
