

LoveStoned by Justin Timberlake

(Hey! ah)	The way they hit her I just stop and stare (stop and stare)
She's freaky and she (1) it	She's got me love stoned from everywhere
She's freaky and I like it	She's bad and she knows
Listen	I think (7) she knows
She grabs the yellow bottle	Now dance
She likes the way it hits her lips	Little girl
She (2) to the bottom	You're freaky, but I like it
It sends her on a trip so right	Hot damn!
She might be going home with me tonight	(Let me put my funk on this one time)
And she looks like a model	(Aw)
Except she's got a little more (ass)	Those flashing lights come from everywhere
Don't even bother	The way (8) hit her I just stop and stare
Unless you've got that thing she likes (oh)	She's got me love stoned from everywhere
I hope she's (3) home with me tonight	She's bad and she knows
(Hey!)	I think that she knows (hey ah)
Those flashing lights come from everywhere	Those flashing lights come from everywhere
The way they hit her I (4) stop and stare	The way they hit her I just stop and stare
She's got me love stoned	She's got me love stoned
Man I swear, she's bad and she knows	Man I swear she's bad and she knows
I think that she knows	I think that she knows
She's freaky and she knows it	Those flashing lights (9) from everywhere
She's freaky, but I like it	The way they hit her I just stop and stare
(Yeah)	She's got me love stoned
She shuts the (5) down	I think I'm (10) stoned
The way she walks and causes a fuss	She's got me love stoned
The baddest in town	I think that she knows, think that she knows, (oh, oh)
She's flawless like some uncut ice	Those flashing lights come from everywhere
I hope she's going home with me tonight (oh)	The way they hit her I just stop and stare
And all she wants is to dance	I'm love stoned from everywhere and she knows
That's why you'll find her on the floor	I think that she knows (oh)
But you don't have a chance	And now I walk around without a care
Unless you move the way that she likes	She's got me hooked
That's why she's going home with me tonight (oh)	It just ain't fair, but I
(Hey!)	I'm love stoned and I could swear
Those flashing lights come from everywhere	That she knows
The way they hit her I just stop and stare	Think that she knows, (oh, oh)
She's got me (6) stoned	She knows, she knows, (oh, oh)
Man I swear she's bad and she knows	
I think that she knows (ah)	
Those flashing lights seem to cause a glare (cause a glare)
