

Fill in the gaps

Yeah by Usher & Lil' Jon & Ludacris

(Peace up, a-town down)	Yean, yean, I got so caught up I forgot she told me
	Yeah, yeah, 'cause if my girl knew it'd be (18) to
Up in the club with my homies	hold me
Trying to get a little V-I	Yeah, yeah, next (19) I knew
Keep it down on the low key	She was all up on me screaming
'Cause you know how it feels	Yeah, yeah, yeah, yeahyeah
I said shorty she was (1) up on me	Yeah, yeah, yeahyeah
From the game she was spitting in my ear	(Luda) Watch out, my outfit's ridiculous
You'd think that she (2) me (knew me)	In the club (20) so conspicuous
We (3) to chill	And (rowl) (21) women all on the prowl
Conversation got heavy	If you hold the (head) steady I'm a () the cow
She had me (4) like she's ready to blow	And (22) about the game I'm a spit the truth
(watch out, watch out)	I won't stop till I get them in their (23)
She's saying come get me (come get me)	suits
So I got up and (5) her to the floor	So give me the rhythm and it'll be off (24) they
She said (6) let's go	clothes
When I (7) her I said	Then () over to the (25) and touch your toes
Yeah, yeah, shorty got down to (8) and get me	I left the jag and I took the roles
Yeah, yeah, I got so caught up I (9) she told	If they ain't cutting then I put them on foot patrol
me	How you like me now
Yeah, yeah, 'cause if my girl knew it'd be best to	When my pinky's valued over three hundred thousand
(10) me	Let's (26) you the one to please
Yeah, yeah, next thing I knew	Ludacris fill cups like double d's
She was all up on me screaming	Me and (27) once more and we leave them
Yeah, yeah, yeah, yeah, yeah	dead
Yeah, yeah, yeah, yeah, yeah	We (28) a lady in the street but a freak in the bed
She's all up in my head now	to say
Got me thinking that it might good idea to (11) her	Yeah, yeah, shorty got down to come and get me
with me	Yeah, yeah, I got so caught up I forgot she told me
'Cause she's ready to leave	Yeah, yeah, 'cause if my girl knew it'd be best to hold me
Now I gotta (12) it real now	Yeah, yeah, next thing I knew
'cause on a one to ten she's a certified twenty	She was all up on me screaming
And (13) just ain't me (hey)	Yeah, yeah, yeahyeah
'Cause I do know if I take that chance	Yeah, yeah, yeahyeah
She's ready, gonna leave	Take that and rewind it back
But (14) I do know	Lil' Jon got the rhythm make your booty go
Is the way she dances, makes shorty alright with me	Take (29) and rewind it back
The way she's getting low	Usher got the voice (30) your booty go
I'm like yeah, just work that out for me	Take that and rewind it back
She asked for one more (15) and I'm like yeah	Ludacris got the flow make your booty go
How the hell am I supposed to leave	Take that and rewind it back
And I said	Lil' Jon got the rhythm make your booty go
Yeah, yeah, (16) got down to (17)	
and get me
