Guns And Horses by Ellie Goulding

Fill in the gaps

Door wide open. (4)

You're so quiet But it doesn't phase me You're on time You move so fast, makes me feel lazy And let's join forces We've got our guns and horses I know you've been burned But every fire is a lesson learned I left my house, (1)____ my clothes Door wide open, Heaven knows You're so (2)_____ it, you are But I (3)_____ I could feel it all for you I wish I could be it all for you If I could erase the pain Maybe you'd feel the same I'd do it all for you I would, I would, I would, I would Let's type words 'Cause they amount to nothing Play it down Pretend you can't take what you've found But you found me On a screen you sit at permanently I left my house, left my clothes

You're so worth it, you are
But I (5) I could feel it all for you
I (6) I could be it all for you
If I could erase the pain
And maybe you'd feel the same
I'd do it all for you
I would, I would, I would
It's time to come (7) and make sense o
everything
It's time that we found out who we are
'Cause when I'm standing (8) in the dark
I see (9) (10) in every star
But I wish I could feel it all for you
I wish I could be it all for you
If I could erase the pain
And maybe you'd feel the same
I'd do it all for you
I would, I would
l'd do it all for you, I'd do it all for you
l'd do it all for you, I'd do it all for you
l'd do it all for you, I'd do it all for you
I'd do it all for you, I'd do it all for you
