

Fill in the gaps

Do you feel (1) a chain store?	So give me coffee and TV
Practically floored	History
One of many zeros	I've seen so much
Kicked around bored	I'm goin blind
Your (2) are full but your empty	And I'm braindead virtually
Holding out your heart	Sociability
To people who never really	It's hard (12) for me
Care how you are	Take me (13) from this big bad world
So give me coffee and TV	And (14) to marry me
History	So we can (15) all over again
I've seen so much	So give me coffee and TV
I'm goin blind	History
And I'm braindead virtually	I've (16) so much
Sociability	I'm (17) blind
It's hard (3) for me	And I'm (18) virtually
Take me (4) from this big bad world	Sociability
And agree to marry me	It's hard enough for me
So we can (5) all (6) again	Take me away from this big bad world
Do you go to the country	And agree to marry me
It isn't very far	So we can start all (19) again
There's people there who (7) hurt you	(Oh) We (20) start over again
Cos of who you are	(Oh) We could start (21) again
Your (8) are full of the language	(Oh) We could (22) over again
There's (9) there you're sure	(Oh) We could start (23) again
'Til the words (10) slurring	
And you can't (11) the door
