

In the future

Fill in the gaps

I am an (1) und	lerneath the setting sun	Sometimes we (16) over	
In an ocean that is churning		And go solo	
For all I know there might be (2) nearby		No metaphors	
Still, the world, it keeps on turning		Are needed from	
And when (3) sun goes down		This time onwards	
It gets brighter in my heart somehow		In the	
I don't know why this is		(Sooooome)	
But it's (4) I (5) to know		(Oooooooh)	
Sometimes we start over		(Aaaaaaah)	
And go solo		(Oooooooh)	
We're (6) for		And (17) the sun (18)	dowr
That summer home		It gets brighter in my heart somehow	
Beside the sea		I don't know why (19) is	
And for the future		But it's what I'd (20) to know	
(Oooooooh)		Sometimes we start over	
Since I left you I'm a gold balloon (7) wanders high		And go solo	
I won't (8) through rainbows and showers		We're looking for	
Taking (9) (10) (11)	The ones we've hurt	
(12) my tears at bay		Just to forgive us	
But the dam can break at any hour		In the future	
By candle-light you seem		Sometimes we start over	
To deepen in (13) mysteries		And just go solo	
Confusing forces move		No metaphors	
At the tides of (14)	seas	Are (21) from	
Sometimes we (15) over		This time onwards	
And go solo		In this song	
We're looking for			
The ones we've hurt			
Just to forgive us
