

Just to forgive us
In the future

Fill in the gaps

am an island underneath the setting sun	Sometimes we start over
n an ocean that is churning	And go solo
For all I know there might be nobody nearby	No metaphors
Still, the world, it keeps on turning	Are needed from
And when that sun goes down	This time onwards
t gets brighter in my heart somehow	In the
don't know why this is	(Sooooome)
But it's what I want to know	(Oooooooh)
Sometimes we start over	(Aaaaaaah)
And go solo	(Ooooooh)
We're looking for	And (8) the sun goes down
That (1) home	It gets brighter in my (9) somehow
Beside the sea	I don't know why this is
And for the future	But it's what I'd like to know
(Oooooooh)	Sometimes we start over
Since I left you I'm a (2) (3)	And go solo
(4) wanders high	We're looking for
won't (5) (6) rainbows and	The ones we've hurt
showers	Just to forgive us
Taking lovers just might keep my tears at bay	In the future
But the dam can break at any hour	Sometimes we start over
By candle-light you seem	And just go solo
To deepen in your mysteries	No metaphors
Confusing (7) move	Are needed from
At the tides of these seas	This (10) onwards
Sometimes we start over	In this song
And go solo	
We're looking for	
The ones we've hurt
