

## Fill in the gaps

The moon was shining on the lake at night	Your folks were next to you
The slayer T-shirt fit the scene just right	And you were right there next to me
Your smeared mascara	And I said
I looked into your eyes and saw a light	Girl, if you're (5) if I want you to (
You told me stories about your chickadees	want you to)
They didn't like BB guns or stupid archery	I (6) you to (I want you to)
And Shaun the lifeguard	I swear it's true (swear it's true)
He let them use the pool all day for free	Without you my heart is blue
Then the conversation stopped	Girl, if you're wondering if I want you to (I want you to)
And I looked down at my feet	I want you to (I (7) you to)
I was next to you and you (1) right there next to me	So make the move (make the move)
Then I said	Cause I ain't got all night
Girl, if you're (2) if I want you to	So much pain may come our way
(I want you to)	There may come a day when we have nothing left to say
I want you to (I (3) you to)	When the conversation (8) and we're facing out
So make them move (make them move)	defeat
Cause I ain't got all night	I'll be next to you and you'll be right (9) next to
The rest of the summer was the best we've ever had	me
We watched titanic and it didn't make us sad	Then I'll say
I took you to Best Buy	Go, if you're wondering if I want you to (I (10) you
You took me home to meet your mom and dad	to)
Your mom cooked meat loaf, even though I don't eat meat	I want you to (I want you to)
I dug you so much, I took some for the team	I swear it's true (swear it's true)
Your dad was silent	Without you my heart is blue (ooh oh oh )
His (4) were fixed to what was on TV	Go, if you're wondering if I want you to (I want you to)
And the conversation stopped	I want you to (I want you to)
And I looked down at the ring	So make the move (make the move)
	Cause I ain't got all night
