

Fill in the gaps

You lead me on the path	I might find it's not for me
Keep showing me the way	Tell me (6) you can hear
I feel a little lost	And then tell me what you see
A little strange today	Everybody has a different way
I think I'll take a hold	To view the world
Of whatever comes my way	I would like you to know
Then we'll see (1) happens	When you see the (7) things
Take it day by day	To appreciate this life
I though I had it all	It's not too late to learn
I had it all worked out	Tell me what you can hear
Just what my future held	And then tell me what you see
That there would be no doubt	Everybody has a different way
But then the card came up	To view the world
And I took (2) turn	I would like you to know
But I don't know if it's	When you see the simple things
Fulfillment that I yearn	To appreciate this life
Tell me (3) you can hear	It's not too late to learn
And then tell me what you see	Don't want to be here
Everybody has a (4) way	Somewhere I'd (8) be
To view the world	But when I get there
I would like you to know	I might find it's not for me
When you see the simple things	Don't know what I want
To appreciate this life	Or where I want to be
It's not too (5) to learn	I'm (9) more confused
Don't want to be here	The more the days go by
Somewhere I'd rather be	
But when I get there
